YELLOWBAND IRIS

The best iris for cutting. Highly regarded by florists as a cut flower for its beauty, usefulness and long-lasting qualities.

Keeps fresh for a week or more under room temperatures. White standards, yellow falls with white margin. Tall, strong stems and usually three blooms per stem. Blooms after German Iris and before Japanese Iris.

Strong field-grown divisions \$2.10 per 10; \$18.00 per 100

GERMAN IRIS

Your choice of 35 choice, named varieties, all colors. List of varieties sent upon request.

\$1.50 per 10; \$12.00 per 100; \$100.00 per 1000

HEMEROCALLIS

By means of hybridization and selection, a wonderful new race of Hemerocallis has been created in recent years. There are so many hundreds of varieties that one who wants only a few becomes confused. For this reason, we are offering a selection of some of the best varieties in various colors to give you a succession of bloom from early summer until late fall.

<u>Variety</u>		<u>Per 10</u>	<u>Per 100</u>

JAPANESE IRIS
(*Iris, Kaempferi*)

The most beautiful of all iris, yet little known. Admired by all who see it. Blooms in June and July when other iris are through blooming. Large flat showy flowers atop tall strong stems-- 2 to 3 buds to each stem. Flowers bear a remarkable resemblance to orchids.

<u>Variety</u>		<u>Per 10</u>	<u>Per 100</u>
<u>Ben Chadai</u> .	Double, dark mahogany-purple.	2.10	18.00
<u>Catherine Parry</u> .	Double blue overlaid red.	2.10	18.00
